# YOUTH EMPLOYMENT HUB

Central and West Hampshire

## 6 MONTH IMPACT REPORT

## Working to get young people into employment

As a Council partnership we strive to offer excellent employment and training opportunities to people choosing to live and work in our local authority areas, which is why the Youth Employment Hub is such a valuable asset. The hub provides expert advice and helps young people find their desired career path.

17 year old Gary was living alone with limited support and access to IT. The Hub team helped him onto a hospitality apprenticeship with a New Forest hotel.

This project is a partnership between the Department for Work and Pensions and four councils

The Central and West Hampshire Youth Employment Hub is a joined-up service to unlock the potential of young people, aged 16-24. Through direct individual bespoke support and referrals to other services, it offers a holistic approach to move them closer to their employment goals.

Working proudly with the following organisations in our venues:
